

Contura

35, white

New!

Exclusive design with excellent
heat production

Design, fire and heat with heritage

Contura 35 is a new sibling of the Red dot design Award-winning Contura 35T. With a white steel surround, glass or cast iron door and glass top, it is an exclusive design that suits a number of environments. A generous powerstone heat tank (option) gives

off comfortable heat for up to seven hours after the fire has gone out. More of the fire can be seen thanks to side glass areas. Our unique Clean Burning System keeps the glass clean.

Dimensions

Model	C35
Colour	white
Height (mm)	1600
Width (mm)	550
Depth (mm)	430
Weight (kg)	130
Heat tank (kg)	70

Effect

Contura is a Swedish made quality product. When you buy one of our fireplaces you always get well thought out design and a large range of choice of design, material, heat storage and accessories. The combustion technology is among the market's most efficient in all models and our Clean Burning system keeps the glass clean and the fire visible better than any others. Most of our models are Swan labelled and we always give a 5 year warranty.
